--	---

Overall Discussion & Key Outcomes

The group evaluated the current Health Equity Work Group (HEWG) structure and agreed to shift the model so that other PCC working groups will present to HEWG rather than requiring HEWG members to attend multiple committees. This supports coordinated technical assistance, reduces duplication, and strengthens alignment with the statewide cancer plan. Strategies will be revised to reflect this new approach. The next meeting is scheduled for March 10, 2026.

Action Items

Action Item	Owner	Due Date
Email full roster to confirm continued interest and committee preferences	Evelyn	February 2026
Provide list of PCC work group co-chairs and annual plan summaries	Jennifer & Brenda	Before March 10, 2026
Schedule presentations from each work group to HEWG	Evelyn, Peg, Jennifer	Beginning March 2026
Website cleanup	Evelyn & Peg	March 30, 2026
Research other states’ health equity structures and report back to HEWG	Jennifer	Next HEWG meeting 3/10
