

Pennsylvania Cancer Coalition
Cancer Genetics/Genomics Workgroup
11/14/2022 Meeting Agenda

1. Introductions
 - a. Victoria Wittner, Andrea Durst, Rachel Schwiter, April Barry, Susanne Gollin, Phuong Mai, Vivian Duong, Robin Taylor Wilson, Peg O’Grady, Marge Wasko
2. Review of Workgroup Charge
 - a. To facilitate the implementation of cancer genetics/genomics activities that advance genetics knowledge, awareness, and uptake as well as the availability and accessibility of genetic services for all Pennsylvanians with a focus on geographically and demographically underserved populations.
3. Discussion of Provider Survey
 - a. Survey Piloting and Feedback:
 - i. Workgroup invited to test run the survey, specifically looking for problems, bugs, and ways to break the skiplogic.
 - ii. https://pitt.col.qualtrics.com/jfe/form/SV_0H7jq2V5sVodeqW
 - b. Provider Survey Dissemination Ideas:
 - i. Have a blurb that all PCC members can put out in newsletters, share with practices, share with professional organizations
 - ii. April
 1. Send out the word document to group and ask people to fill it out, possibly fill it out with category headers. This is the first priority.
 - iii. Can cancer registry send it out? No, not their purpose.
 - iv. Robin Taylor Wilson
 1. Fox Chase Risk Assessment Program
 - v. Peg O’Grady
 1. health systems from members, smaller areas through cancer coalitions, cancer advisory board
 2. Association of Community Cancer Centers
 3. Pa society of oncology and hematology
 - vi. Other professional organizations might be useful as well.
 1. PAFP?
 - vii. Rachel Schwiter
 1. Geisinger Primary Care Group
 - viii. Susanne
 1. UPMC
 - ix. Phuong: State licensing board?

1. Think they might charge

4. Review of Other Possible Workgroup Projects:
 - a. Patient Toolkit
 - b. Website
 - c. Update Provider Toolkit

5. Future Directions
 - a. Is there anything in relation to legislation that would be helpful? Currently developed or needs to be developed? Look at other states to see what they are doing.
 - i. Possibly get the policy committee involved
 - ii. Legislative group can help with things
 - iii. Facilitate legislation to support public health genetics infrastructure
 - iv. Robin – does this group typically work with ACS reps? Knows some in Harrisburg.
 - b. Ruth and Emma for future meeting? Andrea, Alana, April and a few members to have a meeting with Emma and Ruth (Emma Watson). - Follow-up step.

6. Simultaneously working on a project
 - a. Patient toolkit – adapt and test it with laymen
 - b. Educational sessions – is there something that we want to put together – public or to clinical teams

7. Resolution:
 - a. Work on the patient Toolkit first and then go from there.
