3 Agenda

Reoccurring Agenda Format:

- Welcome & new member introductions from any new members...
- Old Business
- New Business & Resource Sharing—Erin Babe Stakeholder Spotlight
- Open Member Sharing & Any Action Steps

4. Welcome by William Calo --

Welcome to launch call 2024, gave an overview of the topics for the agenda.

Tiffany Kilpatrick – PA Dental Hygienist Association, host a biannual dental hygienist symposium in Williamsport, PA and want to bring a CE course re: HPV for dental hygienist

Dr. Moni is willing to be the speaker for the event and Luke Cunniff is has also connected with his Regional Medical Director to share a new presentation that fits for Dental

5. Old Business by Pam Schauer —

- Invitation for member spotlight in future meetings
 - Dr. Moni is interested in presenting in the future
- Upcoming initiative and projects?
 - Dr. Moni (Berks Community Health Center) – Use the HPV toolkit provided by PCOH which is really helpful for dentists and dental hygienists. Part of her Medical/Dental integration efforts. Can incorporate this into activities to increase vaccinations. find and request copies of the toolkit (and many other materials) free of charge from paoralhealth.org/request-materials or reach out to lia@paoralhealth.org with any questions!

- Madalyn Schaeffen – does educating frontline non-clinical staff on vaccines and ability to speak with parents re: concerns and address it before seeing their physician to have a more team-focused approach. Will share results back with workgroup
- Luke Cunniff – immunize VA and their working group is planning a webinar to share best practices among HPV coalitions in the region to share their work and strategies for increasing HPV vax rates. VA, MD, NY, NJ, MA
- Candace Sanderson – hosting Pennsylvania Immunization Conference on June 13, 2024 at Hershey Lodge. Looking for suggestions for speakers or a specific HPV topic.
- Susan Radio - I am working with the ACS Prevention and Screening Quality Improvement Project. We are looking to educate or inform providers and parents. Primarily in Allegheny County - CCP and through schools.
- William Calo – shared that his team will be launching a new HPV and dental focused project and will connect with Dr. Moni and Tiffany for the project.
- Updates for Hep B vaccine?
 - Brenda Anastasio – recommendation changed, that everyone should have one screening at least.

6. New Business & Resource Sharing by Pam Schauer —

- [2024 Us vs. HPV Webinars](#) – One-week series of webinars, social media campaigns, local events and more to promote awareness about HPV and HPV-related diseases spanning January 22-26
- ["HPV Vaccination: Age 9 - From Research to Practice"](#) - Webinar recording includes presentations discussing the evidence supporting HPV vaccination starting at age 9 and the improvement in Washington state’s HPV vaccination rates
- January - [Cervical Health Awareness Month](#)
 - [You Can Prevent Cervical Cancer Flyer](#) & [Cervical Cancer Fact Sheet](#)
- December 13th, 2023 the PA American Academy of Pediatrics hosted a Let’s Talk Pediatric Community Forum on the transition to [PIERS](#). (PA SIIS to PIERS) –Pennsylvania Immunization Electronic Registry System
 - **Goes Live on January 17th, 2024**
 - Top Tier immunization platform by Envision Technology
 - Philadelphia PhilaVax also uses an Envision similar platform so expect more collaboration and sharing opportunities in future
 - In other states where Immun Registry is not mandatory, they are seeing 90% usage numbers because the tool/platform is so user friendly and great reports
 - Part of the Enhancements will include a new HEP B Module
