Reoccurring Agenda Format:

- Welcome & New Member Introductions
- Stakeholder Spotlight
- HPV Vaccination Updates & Resources
- Hep B Vaccination Updates & Resources
- Opportunities and Resources
- Open Member Sharing & Updates
- Closing

4. Welcome by William Calo —

- a. New members were named by William and those on the call introduced themselves. 10 new members since January 2025, 4 in June alone.

5. Stakeholder Spotlight by Pam Schauer —

- a. Pam - Governor Shapiro released a memo stating support for science and vaccines
- b. William – Community Implementation Studio (CIS)
 - i. Free capacity-building program that focuses on cancer prevention and other cancer projects

6. HPV Vaccination Updates & Resources by Pam Schauer —

- a. Pam – Philadelphia vaccine collaborative is being restarted. Invited to the Big Twelve HPV summit (12 states have 60% of adolescents). Leaders from each of the 12 states were invited and spoke about their efforts in their states.

7. Hep B Vaccination Updates & Resources by Lauren Orkis --

- a. Lauren – Have a webinar teamed with Hep B foundation. Had about 130-140 participants during the first webinar (Overview of Hep B, why we're concerned about

it, surveillance data, BOI information, vaccine programming). The second webinar will include providers giving their perspective, universal screening recommendations, universal vaccine recommendations

8. Open Member Sharing & Updates by Pam Schauer —

- a. Srijana – (in chat) Wanted to share a newly created science-based curriculum for middle schoolers to teach them about science and immunology.
Phase 1 was successfully implemented in North Carolina schools.
This is the link if your organization is interested: [Science of Immunity | Curriculum](#)
Curriculum is developed by Raegan Udall Foundation of the FDA in partnership with [Dr. Raven The Science Maven | Washington D.C.](#)
- b. Pam -- resources that will be available via email
- c. William – Shared information on a vaccine podcast project
- d. Lynn – Shared concerns over how information is being shared over social media and isn't sure how to respond.
- e. Laura – Shared Lynn's concerns and listed ways that their organization combats misinformation.
- f. Jennifer – How will the group handle if ACIP/CDC guidelines are in disagreement with ACOG/AAP guidelines
- g. Brenda – Thinks that we need to increase public demand for vaccines and ground swell of vaccines save lives and we want them from the public

9. Closing by William Calo .
