## 3 Discussion

ID	Discussion
1	<p>We discussed strategies to engage legislators in the subcommittee’s policy priorities and the work of the larger PCC.</p> <p>Iowa’s Cancer Coalition was noted as an example to examine, specifically the annual report they produce and share with their legislature: <a href="#">Iowa Cancer Consortium 2023 Annual Report - Iowa Cancer Consortium</a>.</p> <p>We brainstormed tactics to engage legislators in our work, including:</p> <ul style="list-style-type: none"> <li>• Educational webinars</li> <li>• State funding advocacy</li> <li>• Communicating priorities with legislators</li> <li>• Inviting a legislator to each Monthly call</li> <li>• Requesting an invitation to the Cancer Caucus quarterly meetings</li> </ul> <p>Next steps:</p> <p>Donna will circulate a draft legislative engagement plan to the subcommittee. Individuals interested in working as a small group to further develop this plan can contact Donna at <a href="mailto:Donna.Greco@Cancer.org">Donna.Greco@Cancer.org</a>. This small group will meet twice to further develop the plan and then present it to the larger subcommittee for input in February 2025.</p>
