Goal #:	Strategy/Action/Activities:	Measure/Target #	Policy, Systems, or Environmental (PSE)
5	Promote community education to increase knowledge about the growing cancer survivor population and issues surrounding cancer survivorship.	Utilize organizations completing this work and use data to inform education output to at least 5 companies. House more information on PCC Website.	PSCI, UPMC, YMCA, Cancer Bridges, LBBC, PA-CCHWs, Plant Based Pitt, CANSUN, etc.
5	Educate providers on best practices for follow-up, long-term and transition care for pediatric cancer survivors. (Later in the year – approach ACCO and create one pager for Childhood Cancer Systems)	Created one-pager for CCS; Have at least 5 legislative	PSCI, CHOP, etc.

PCC Workgroup Annual Action Plan

	& Educate Policy Makers and payors about the long-term physical and psycho-social needs of pediatric cancer survivors to promote continued affordable access to services.	contacts to discuss strategy within the year.	
5	Educate providers on the importance of routine wellness checks, screening, and risk reduction assessment (e.g. tobacco cessation, nutrition, and physical activity).	Educate at least 10 new providers about the strategy	PSH, YMCA, Plant Based Pitt, Cancer Bridges, LBBC
5	Promote increased access to survivor wellness programs for pediatric and adults through expansion to rural communities, patient navigation, and community health worker education.	Utilize organizations completing this work and use data to inform education output to at least 5 companies.	PA-CHW Asso., YMCA, Cancer Bridges, Plant Based Pitt, CANCSUN, PSCI, Geisinger
5	Use data to educate policy makers and the PCC Policy workgroup about the unique needs of cancer survivors and survivor health disparities.	Refer at least 5 policy makers to the PCC site for education	YMCA, CANCSUN, Cancer Bridges, Policy and Health Equity Wkgps, PA CHWs

Plan Review Date: _____

Successes/Progress made in working toward Plan goal(s):

New organizations to engage to assist in goal achievement:

How can this organization assist?

Barriers preventing success:

List barrier and what can be done to remove it

Input/expertise is needed from these workgroups or subcommittees to help achieve these strategies:

2023-2033 Pennsylvania Cancer Control Plan dissemination activities (who, where, when):

Committee Chairs:

Amy Jacobs & Colleen Dwyer
